Pre-requisite: Must have a valid Concealed Pistol License

In the third Module students will learn how to shoot with their weak hand only, how to transition from the strong hand to the weak hand and how to defend yourself if you happen to have fallen or been knocked to the ground. One magazine pouch (more is acceptable)  
A Minimum of two magazines (more is better-less reloading)  
A baseball cap (keeps empty cases from falling behind safety glasses)  
100 rounds of target ammunition

\*Note\* Revolver shooters are always welcome. Rotary speed loaders are recommended
