Michigan2A Child Safety Program

A. Overview

Guns are not toys, and children should never play with or handle guns, except with parental consent and qualified, responsible adult supervision. While this safety class has introduced students to the basics of keeping themselves safe around firearms, periodic review of the material is essential.

B. Gun Safety Rules - Safety rules are intended to keep people safe. Students were introduced to the four gun safety rules.

GUN SAFETY RULES

- #1 - STOP
- #2 - DON'T TOUCH
- #3 - LEAVE THE AREA
- #4 - TELL AN ADULT

C. Following the four gun safety rules

1. What should a student do if they find a gun in school (on the playground, in the bathroom, etc.)?
2. What should they do if a friend offers to show them a gun?
3. What should they do if they know someone who has brought a gun to school?
4. It is a student's responsibility to report to school officials any student who talks about bringing a gun to school, even if that student appears to be joking.

D. Important facts about guns

1. If you find a gun, never touch it, even if you think it's a toy. Some toy guns look like real guns, and some real guns look like toys.
2. Do not point a toy gun at anyone. They may mistake it for a real gun, and think you intend to harm them.
3. BB Guns are not toys, and should be used only under the supervision of a qualified, responsible adult.
4. Certain guns can still fire, even if they appear to be unloaded.
5. A gun is not a toy and a friend who is showing off a gun is not cool.

E. Funding

Michigan2A is a non-profit organization. This program is offered at no charge as a public service to the community to keep our children safe. The instructors volunteer their time and services, and The Firing Line provides the use of their classroom free of charge. While we would never ask anyone to pay for this class, if you feel this class was beneficial to your child and would like to make a donation to help pay for supplies so that others may benefit from this program, any amount will be greatly appreciated.
