Civilian Safety  **Awareness Program**
BY **SABRE**

The SABRE logo is a yellow triangle with a black border. Inside the triangle, a hand is shown in a dynamic pose, holding a black pepper spray canister. A red spray is depicted coming out of the nozzle of the canister.

This three (3) hour **SABRE Civilian Safety Awareness Program (CSAP)** will teach you how to avoid dangerous encounters. Unfortunately, all dangerous encounters cannot be avoided; so CSAP will also teach you:

- Safety Awareness Tips
- How to Carry & Properly Deploy SABRE Pepper Spray
- Verbal Commands & Presence
- Practical Training Drills Using Inert, Practice / Training Sprays
- Post Deployment Advice
- Simple Self Defense Techniques

Become proficient and accurate when using your SABRE pepper spray by deploying Water Filled, Inert Practice Sprays at Static Targets. Advance your skills by deploying the Practice Spray at your instructor during a simulated attack!

BE SMART – BE READY – BE SAFE!
