

November 2008

Dear Supporter,

There will be a fundraiser held in your area on March 15, 2009. The Paul A. Manikowski Targeting Lymphoma Shoot is being held at Top Gun Shooting Sports in Taylor and will benefit The Leukemia & Lymphoma Society (LLS), Michigan Chapter.

Volunteers for this event will be asking local retailers and other businesses in your area to show their support for this event. Your donation to this event will help ensure a successful fund-raiser. You can make a monetary donation or donate items for a raffle to be held in conjunction with the event. Donations made out to The Leukemia & Lymphoma Society would be fully tax deductible.

Also available to your company are sponsorship opportunities, ranging from \$250 up to \$500. Please see attached for the available opportunities and please consider becoming a sponsor for this wonderful event.

The mission of The Leukemia & Lymphoma Society is to cure leukemia, lymphoma, myeloma and Hodgkin's disease and to improve the quality of life for patients and their families. Thank you for helping us come one step closer to this mission. Together we are making a difference in the lives of those touched by cancer.

Please give me a call if I can assist you further at (248) 581-3882

Thank you in advance for helping to make a difference,

Robin R. Rhea
